

March 2019

Thank you to all DLIA members and donors who have renewed their membership for 2019. We continue to take tax deductible donations on our website www.delavan-lake.org or by mail. We are excited about the upcoming season and continuing our work in the watershed to improve water quality.

As you may know, the Town of Delavan has two important races this spring; Town Chair & Town Supervisor. There are four candidates running for two positions. The DLIA submitted a survey with pertinent questions to each of the candidates. We have posted their answers on our website www.delavan-lake.org. The election is April 2, 2019. **Don't forget to Vote!**
