

Delavan Lake Improvement Association

The DLIA is wrapping up a great year advocating for clean & healthy water in Delavan Lake

Our agricultural conservation programs remain the focus of our mission. Cover crop, buffer strips, native plants & grasses and drainage systems all slow down the release of phosphorous in the lake.

The plea we made in the fall for donations to subsidize two new cover crop locations was a huge success. Thank you to all who helped make this possible. As of Thanksgiving we raised **\$2020** of our **\$2800** goal. There is still time to make a tax-deductible donation to the DLIA for 2018.

Visit our website at www.delavan-lake.org or mail your tax-deductible donation to:

DLIA, P.O. Box 353, Delavan, WI 53115

The DLIA Board Members appreciate the support you have continually given us over the past several years. We take to heart our responsibility to keep you informed! Feel free to contact the DLIA anytime at www.delavan-lake.org or info@delavan-lake.org
