

## **WATERCOLOR MAPS OF DELAVAN LAKE AVAILABLE**

The 1992 Harriet Llewellyn Delavan Lake Map pictured on this page is available in a 16 x 20 color print. Delavan artist Harriet Llewellyn created a watercolor map of Delavan Lake in 1992. In 2002 the DLIA asked her to add some new features. We have been selling the revised map since then, but recently found a number of the 1992 maps which we will sell for \$5 apiece.

Please understand that the maps available are the 1992 maps, not the 2002 revisions. The revisions on the 2002 map are as follows: "Added subdivisions Sunny Dell, Delavan Resort Hotel and Yacht Club Condos "Added Blue Gill Road "Added historic sites Riverdale, Guernalda, Spring Lawn - Log Cabin and Hollandale - Manhattan.
